

Stephen Thomas Kerr

BArch(Hons) DipArch RIBA FRIAS

With over 23 years experience behind him, Stephen has worked on an extensive range and value of projects, and although currently focused on healthcare he has also undertaken a considerable body of public authority, conservation, education, industrial and residential projects. His principal roles are to oversee the financial, marketing and administration aspects of the practice as well as being a key client contact and project leader.

Outwith the day-to-day activities of the architectural practice he is a keen golfer and has served on his club committee for many years (currently Match & Handicap Convenor). He is also treasurer & secretary for his regular 5-a-side football group.
