

Iain Douglas MacLaren

BArch DipArch RIBA FRIAS MAPM MaPS

Having been a Partner for 34 years, Iain is a Fellow of the RIAS, an accredited practitioner in Conservation Architecture and a qualified CDM co-ordinator. With a vast experience in industrial, healthcare, education and conservation projects, his project management skills on fast track and complex contracts assist him in providing advice to the practice on marketing, client liaison and office management issues. With awards for provision of client service, he also has a keen interest in quality control and in the design phase of projects.

To relax he enjoys playing competitive tennis, researching historic buildings, playing piano and guitar, and has a penchant for driving sports cars.
